

Smoothed calibration curve of
predicted vs observed probabilities of $t \leq 7$ mortality

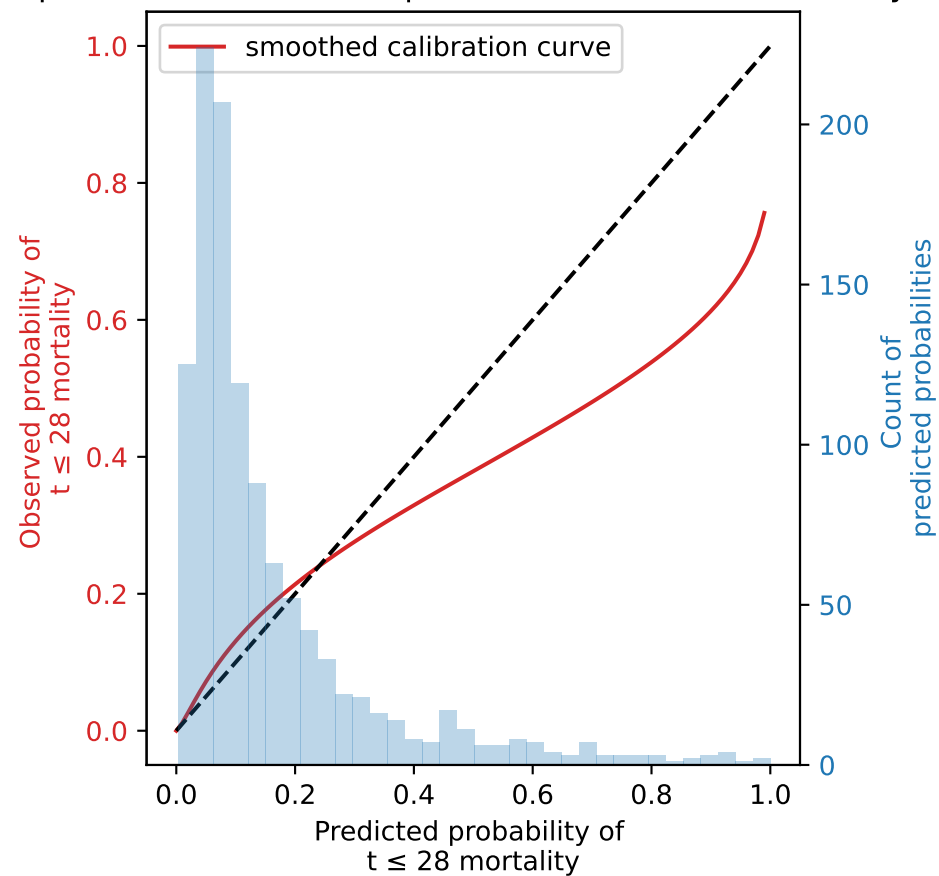

Smoothed calibration curve of
predicted vs observed probabilities of $t \leq 14$ mortality

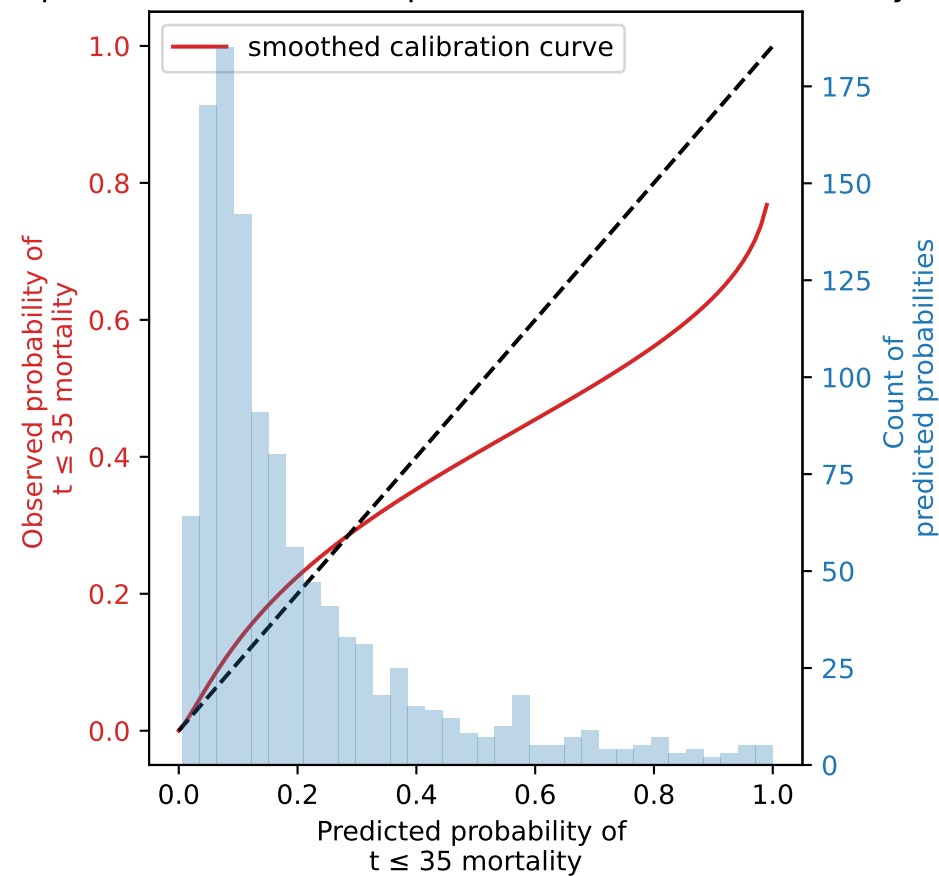

Smoothed calibration curve of
predicted vs observed probabilities of $t \leq 21$ mortality

Smoothed calibration curve of
predicted vs observed probabilities of $t \leq 28$ mortality

Smoothed calibration curve of
predicted vs observed probabilities of $t \leq 35$ mortality

Smoothed calibration curve of
predicted vs observed probabilities of $t \leq 80$ mortality
