

Smoothed calibration curve of  
predicted vs observed probabilities of  $t \leq 7$  mortality

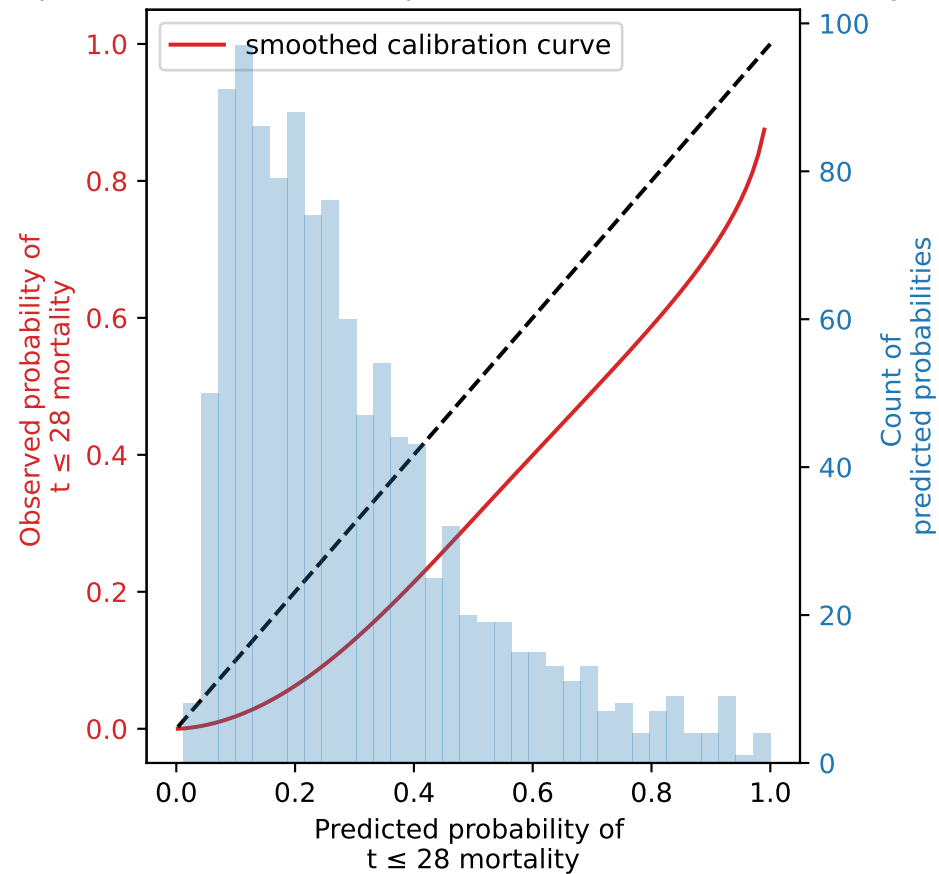

Smoothed calibration curve of  
predicted vs observed probabilities of  $t \leq 14$  mortality

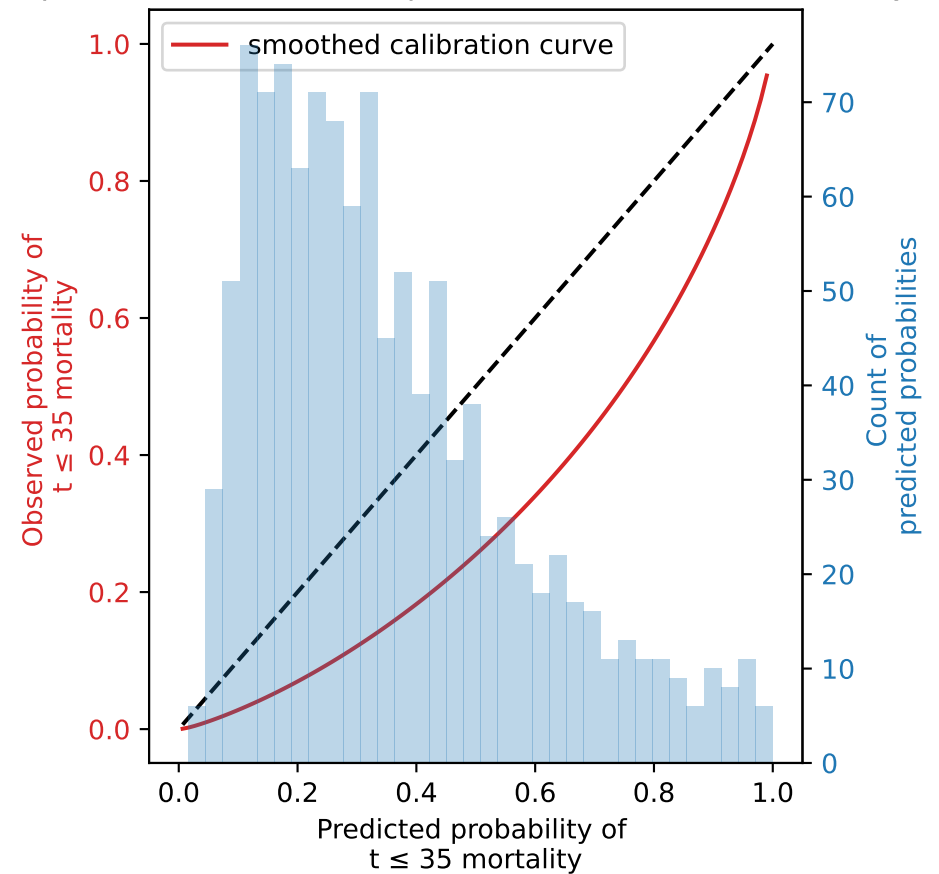

Smoothed calibration curve of  
predicted vs observed probabilities of  $t \leq 21$  mortality

Smoothed calibration curve of  
predicted vs observed probabilities of  $t \leq 28$  mortality

Smoothed calibration curve of  
predicted vs observed probabilities of  $t \leq 35$  mortality

Smoothed calibration curve of  
predicted vs observed probabilities of  $t \leq 80$  mortality
